## ATTENTION – Brace Yourself!

Our office, offers as a courtesy, New Patient consults, to all children at least 7 years of age *and* all adults.

The best part? By becoming an active patient, you are automatically enrolled in our **Super Cool Kids Club**. You'll be given a membership card to bring with you at every appointment.

It's new, it's simple, it's super cool! It's designed especially for patients like you. So how does it work? It's so easy!

- Show us your club card at each of your orthodontic appointments.
- Win a reward like movie passes or ice cream passes.
- Get entered in our prize drawing every 6 months and you could win a pizza party and game cards, at GattiTown or Kart Ranch for you and 10 of your friends.

Get rewards and your chance to win a big prize! The prizes are cool and so are you!

Please visit the receptionist while waiting or after your visit for more details. We would love to see you!
